DINESH KUMAR

SUMMARY

With over 4 years of experience as a Full Stack PHP/Codeigniter Developer, I have a proven track record in developing high-quality and maintainable software for ecommerce platforms. My technical proficiency in PHP, Codeigniter, JavaScript, and Html, coupled with my problem-solving skills and team collaboration abilities, have led to significant improvements in system efficiency and user engagement. One of my biggest career achievements is playing a key role in the success of a revolutionary ecommerce startup, enabling eCommerce merchants to build long-lasting customer relationships.
